Elliot Warren

Writer

Represented by:
Jessica Stewart

Elliot Warren is a writer, director and actor. His debut play, FLESH AND BONE, won the Olivier Award for Outstanding Achievement In An Affiliate Theatre in 2019. During its run, it also picked up a Fringe First for 'Outstanding New Writing' and won the Best Theatre award at the Adelaide Fringe Festival. The play was published by Nick Hern Books. Elliot wrote an episode on the final season of TOP BOY (Cowboy/Netflix), also serving as script consultant across the entire season. His pilot script BAD MANOR was on the Brit List in 2020. He wrote an episode of the TV series, FIGHTLAND, for Expanded Media/Starz/Sky, being produced by 50 Cent. He has also written on shows for Apple, Gaumont, and The Story Collective. His short film 'Hard Times' was on the festival circuit in 2023 and was nominated for the Sony Future Filmmaker Award 2024. He has original TV projects with companies including The Forge, Kudos, BBC, Netflix, DNA, HillBilly, Bonafide and Conker Pictures, and a feature film project in development with Water & Power.
