## TESTIMONIALS

PRODUCTION (ROLE)	PROJECT DETAILS
<b>Creation Stories</b> Dir: Nick Moran	"The thoroughness with which you went about your job was a life saver in the edit. Nothing was missed, and ideas aplenty came from the gems you recorded. The live music scenes stand out like nothing anyone has seen in a British film, we are in the room and loving it. The flawless quality of the dialogue meant even the roughest of rough cuts could still shine with humour and subtlety. There was almost no ADR, and 100's of life saving usable alternates that have saved me in the edit."
