FEATURE FILM

PRODUCTION (ROLE)	COMPANY	PROJECT DETAILS
ENOLA HOLMES 3 Written by Jack Thorne	Legendary/ Netflix	Starring Millie Bobby Brown
BOILING POINT Co-writer/Director	Ascendant Films / Vertigo Releasing	Starring Stephen Graham, Vinette Robinson 4 BAFTA Nominations 'Perhaps the greatest compliment I can pay actor turned director Philip Barantini's low-budget Brit pic Boiling Point (co-written with James Cummings) is to say that I frequently forgot I was watching a brilliantly orchestrated one-shot film.' - Mark Kermode, The Guardian 'Every time Stephen Graham is on screen in Philip Barantini's Boiling Point the question reasserts itself: do dramatic events happen to him or does he make them happen?' - Tom Shone, The Times 'What makes the film work, however, is that Barantini stitches all these tiny truths together with a restless, roaming camera and a central story about Andy's spiralling cash problems and a snooty restaurant critic (Lourdes Faberes) who has just turned up, unannounced, on this night of all nights. - It's an utterly convincing and immersive experience.' - Kevin Maher, The Times
ACCUSED (Director)	Netflix/ Vertigo Releasing	Written by James Cummings and Barnaby Boulton
VILLAIN Director	Ascendant Films/Vertigo Releasing	Starring Craig Fairbrass, Robert Glenister, George Russo, Izuka Hoyle, Taz Skylar "…an exceedingly well-made first feature, a simple genre movie elevated by strong visuals, potent performances and a mood that falls somewhere between resignation and guttering hope." (The New York Times)
