Leah (Leahviathan)

Gamer, Twitch Streamer, Content Creator & Host

Named by British Vogue as one of the Power Players of the gaming industry, Leah is among the top UK presenters helping to shape the space. Leah established herself on Twitch in 2015 as a variety streamer and has since amassed over 175,000 followers on Twitch alone. As an avid gamer, Leah is fully immersed in the gaming industry, leading her to work with some of the top brands and developers in the space. Through 2017-2019 she worked for-Xbox UK-as a presenter and live-stream coordinator, before returning to full-time streaming and presenting in 2020. She has since presented regularly for-Forza Monthly-and hosted the very popular-Dying 2 Know-series for Techland in anticipation of the release of hit game,-Dying Light 2. Leah currently streams regularly on her Twitch channel, covering a variety of content from the latest releases to indie hits and Red Dead Redemption Roleplay. She regularly plays in produced Table Top RPG shows on Twitch and co-hosts a weekly gaming podcast-Gamers Week in Gaming.- Leah has worked as an ambassador for XL Esports and Logitech Gaming,-she currently sits on the committee for-Women in Esports-and as a jury member for-BAFTA Games. Leah has worked with a number of the top brands in and outside of gaming including,-Ford,-Xbox,-Playstation,-Bungie,-Asus,-Wizards of the Coast -and many more.

Outside of gaming, Leah is a passionate guitar player and lover of all things Alt-rock and Metal Music. This has led to her collaborating with-Activision Blizzard,-Crazy Pig Designs-and-NME-on a global campaign in support of the release of-Diablo Immortal, culminating in attending-Download Festival-to collaborate with headlining band,-Bury Tomorrow.
