

Konrad Kay

Writer and director

Along with his writing partner Mickey Down, Konrad created the original series INDUSTRY for BBC/HBO with Bad Wolf. It will air in late 2020. Konrad and Mickey are also developing a reboot of a classic series with Studio Canal and working on a number of original commissions in the United States.

Their first feature GREGOR, which they also directed, was funded through the site Kickstarter and went on to be nominated for The Discovery Award at the 2014 BIFAs.

He is passionate about the work of Sadio Mané.
