Bethan Seller

Director

Represented by:
Francesca Devas

Bethan built her career in the commercial world, directing for global clients and award winning agencies and production companies.–She creates strong visual worlds filled with bold production design and authentic performances. A comedic vein runs through her commercial work, and this combined with her distinctive visual style lead to her quickly being picked up by the TV & Film world. In 2021 Bethan directed all episodes of 'Flaps' Season 2, the all female hit sketch show for Comedy Central, parts of which she also wrote. She then went on to direct 'Peck 'Eds' for BBC Three Comedy Threesomes/Jax Media.
