

# Hunter Andrews

## Writer

Hunter Andrews is a screenwriter from Manchester. He's currently developing several Film and TV projects in the UK and US. These include a western with Film 4 & Element. A military/sports biopic with RAW. Two horror originals with KAYFABE.—And TV shows with both Kudos and 60forty Films. He's previously developed prison thriller WASTEMAN with Elara Pictures and adapted Kate Mosse's THE WINTER GHOSTS for Sums Films & Media. He's also interested in new technologies for Storytelling and wrote the original story for the first-ever VR episode of BBC'S, DOCTOR WHO, which was Emmy nominated. His advertising, creative & scriptwriting work has won over 50 established industry awards.
