MISFITS Creator / Executive Producer / Writer (for all 5 series)	Clerkenwell Films / E4	BAFTA Award - Best Drama Series, 2010 4 BAFTA Nominations including Best Drama Series, 2011 Digital Broadcast Award - Best Scripted Programme, 2010 RTS Nomination - Best Drama Series and Best Drama Writer, 2010 "A British horror comedy to rival Shaun of the Dead...Overman's script sparkled from the off. Misfits blazed onto the screen with such a terrific sense of humour, self-confidence and brio." - The Daily Telegraph "It's also brilliant: sharp, funny, dark and, in places, quite chilling.
