

Isabel Fay

Writer

Isabel started out making viral hits including her multi-award winning take down of internet trolls *Thank You Hater*.

Recently she's made a name for herself in children's TV, writing across all three series of CBBC's flagship sketch show *Class Dismissed*, and making her childhood dreams come true writing for the Cookie Monster on Cbeebie's *Furcheater Hotel*.

She's currently working with both Framestore and Darrall MacQueen developing children's sketch shows.
