Jamie Childs

Director

Represented by:
Jennie Miller

Website: http://www.jamiechilds.co.uk/
Jamie Childs has just directed all of new Netflix series NEWFOUNDLAND - https://deadline.com/2025/02/newfoundland-netflix-jesse-mckeown-1236303176/ . He directed all 13 episodes of SANDMAN season 2 for Netflix and he's also an EP on the show. He also directed multiple episodes of season 1, previously directed WILLOW for Disney+. Jamie is also well-known for his work on DOCTOR WHO and HIS DARK MATERIALS. He directed the season premiere and season finale of DOCTOR WHO Series 11, where he had the coveted role of introducing the first-ever female Doctor. His opening episode was nominated for a BAFTA Must-See Moment of 2018. Following that, he went on to direct the season 1 finale block of HIS DARK MATERIALS for HBO. He returned to HIS DARK MATERIALS to direct four episodes (including the opening block) of Season 2 and as an Executive Producer.
